

The Golgi Clinic

NATUROPATHIC MEDICINE
CHILD + ADULT + FAMILY

For all of our long-distance patients, we invite you to SKYPE with us!
This easy-to-use, video-conference application will allow you and the Golgi Clinic to say better connected, even when we can't see you in person.
Don't hesitate to call if you have any questions, (406) 541-8886.

If you **HAVE** a Skype account:

Scheduling your Skype appointment:

Just like scheduling any appointment. Call our front desk at (406) 541-8886 and let us know you'd like to make an appointment using Skype. Be sure to **give us your Skype username** when you schedule!

At the time of your appointment:

Open Skype on your computer and **your doctor will call you**. On occasion, our doctors may run a few minutes late. Just leave Skype open and wait for their video call.

If you **DON'T** have a Skype account:

Download Skype:

1. You'll need a computer with a webcam and microphone.
2. Download Skype for Mac or Windows for free from www.skype.com.
3. Follow the **Setup Wizard**.
4. Open the Skype application on your computer.
5. When the login box opens, click **Don't Have a Skype Name**.
6. Create a Skype name and password.
7. From the **Contacts** drop down menu, click on **Add Contact**.
8. Enter your doctor's Skype name: **DrTMartinez** or **DrJeffreyFriess**.
9. Highlight your doctor's name in the list when it appears and click **Add Contact**.
